調整原因 Courses of Adjustment

一、依教育部規定，各大專校院核發學位證書為學生修畢學位之證明，所記載之文字，依本校學位授予法規定，應為學生姓名、出生年月日、身分證字號、系所名稱及所授予學位之名稱。

According to the provisions of the Ministry of Education, degree certificate issued by colleges and universities serves as proof that students have completed their degree. In accordance with the Regulations for Degree Conferment, a degree certificate should include the student's name, date of birth, personal ID number, title of academic department, and the degree awarded with the main field of study.

二、為減少因證書版本較多影響學生未來就業及升學之困惑，本校學位證書取消加註相關語檢通過之文字，四技部也不加註副修英文字樣。

In order to reduce confusion caused by different versions of degree certificates and affect students' future employment and advanced studies, the text "passed the related language proficiency test" are no longer included in the degree certificates. At the same time, the text "Minor in English" will also be deleted from Four-Year College degree certificates.
