## Language Proficiency Exam Requirement for Academic Departments

1. Junior college students admitted since the 2001 Academic Year and college students (Daytime 4-Year College and 2-Year College) admitted since the 2002 Academic Year are required to satisfy the following language proficiency exam requirement for their major and minor language prior to graduation.
2. Alternative English requirement for each division and department applies to graduates starting from the second semester of the 2010 Academic Year.
3. Graduation Requirement: Students must complete all courses and credits required by each academic department; receive a passing grade on their studies and conduct; satisfy the language proficiency exam requirement set forth by each academic department; complete the campus custodial services and all other requirements determined by the school and each academic department.
4. The applicable academic years for each educational system in this table are as follows: for Day Division (Five-Year Program), students admitted from the 108 academic year and onwards; for Day Division (Four-Year Program), students admitted from the 109 academic year and onwards; for Day Division (Two-Year Program), students admitted from the 111 academic year and onwards.
